

# Learn How to Create a Butterfly Garden

At: UF/IFAS Extension Bay County, 2728 E. 14<sup>th</sup> ST, Panama City

Planting a butterfly garden is a great way to beautify your yard and help attract many of the different butterflies found in Florida. Come learn about butterflies in our area and how you can plant a garden or incorporate butterfly-friendly plants into your yard or landscape. Planting for butterflies also attracts other important pollinators such as hummingbirds and beneficial insects.

## FREE

Open to the public

Space is limited
